Re: Pool Landscaping Design and Build

Dear Scott,

We wish to extend our sincerest gratitude to you and your crew for the phenomenal job you did in creating our backyard oasis. From the design 'vision' thing all the way through the hardscaping and planting phases, during what was one of the wettest and muddiest springs in recent history, you managed to exceed our high expectations and created an award-worthy pool landscape design.

We would be happy to speak with any prospective clients about our experience with Earth, Turf and Blooms, as well as have you show off our oasis to them.

Sincerely,

A handwritten signature in black ink that reads "Tom & JoAnne". The signature is written in a cursive, flowing style with a long horizontal line extending from the end of the name.

PS. Jakob has not stopped talking about his backhoe operating experience under the expert guidance of Herb, and has started undertaking various yard projects pretending the wheelbarrow is his ETB truck. Thanks again for going above and beyond!
